

Simply beautiful floral designs for your best day ever.

Hello!

I'm Susan Markey, the owner of Simply Beautiful Blooms. I've been in the floral design business for several years, with my most recent designs focusing on lush, romantic florals for beautiful bridal portraits and intimate weddings. My love of flowers and creating beautiful florals is what inspires me.

I would love to be a part of creating your best day ever. Let's talk! Contact me through email, text or instagram anytime for a free consultation.
